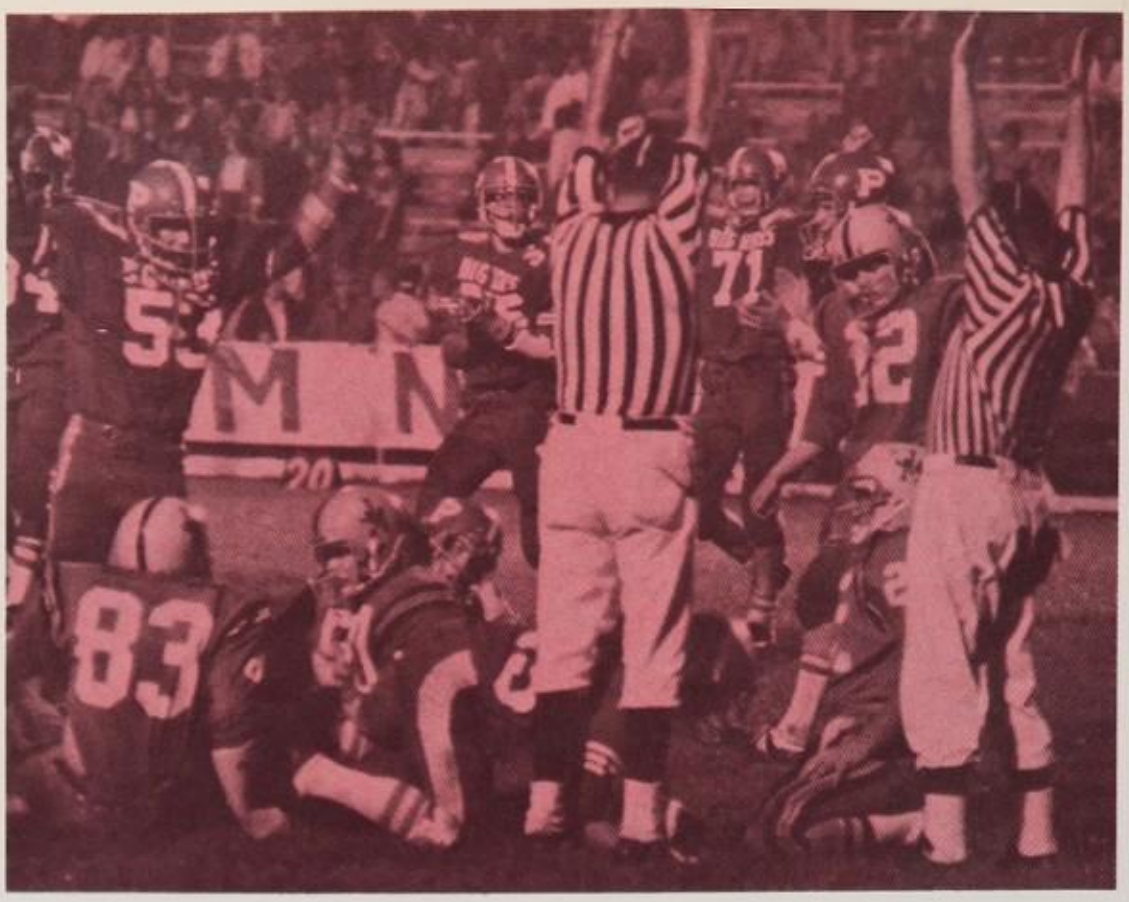
SHARING.
REMEMBERING.
The essence of a high school year.
As I look back upon the past years, what will I remember?

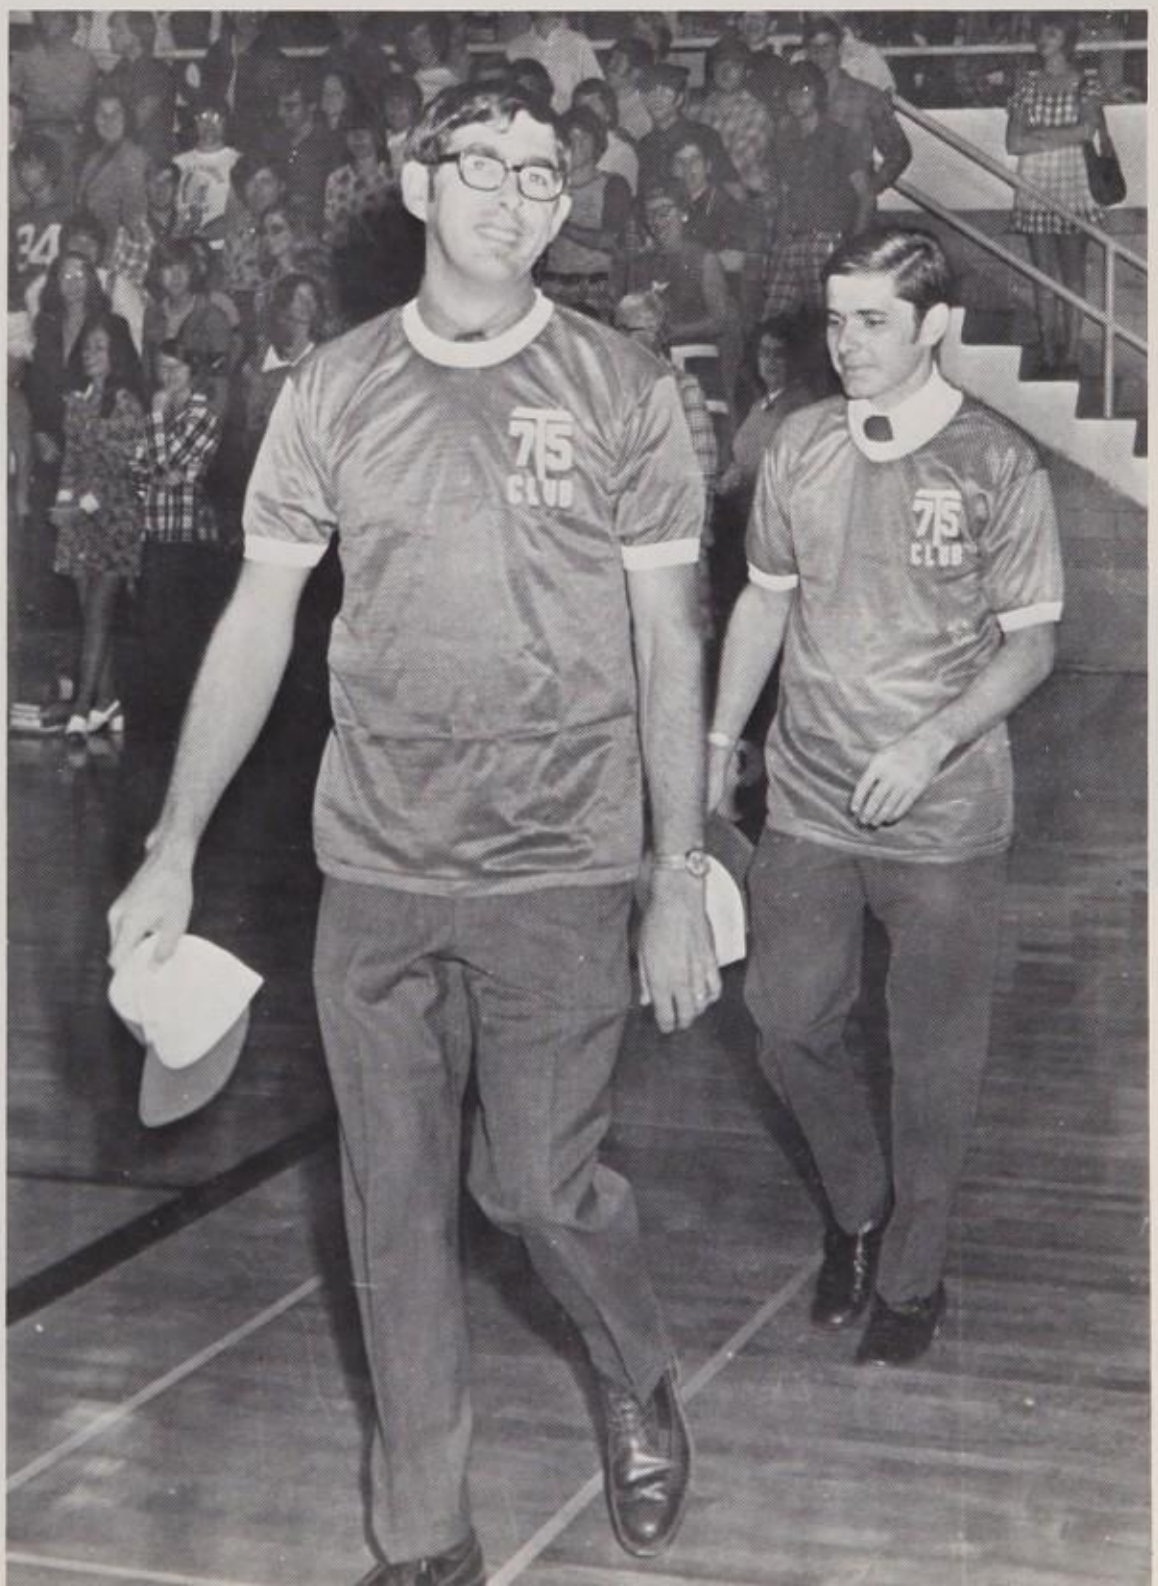


Top: A sight that makes it all worthwhile. Above: Deric Davis winces as trainer Scott Cunningham tapes his ankles for a game.

Top: Cheerleaders Debbie Rexroad, Sheila Boggs, Steve Masters, Jill Six, Becky Crooks, Betsy Welch, Bob Brockwell, and Jackie Parr smile for the photographer before a game. Middle: Red Wings anxiously await the time for their performance at a thuse. Left: PHS's Big Red Band prepares for half-time activities.

Will I remember the days as they really were, or as I had wished them to be?

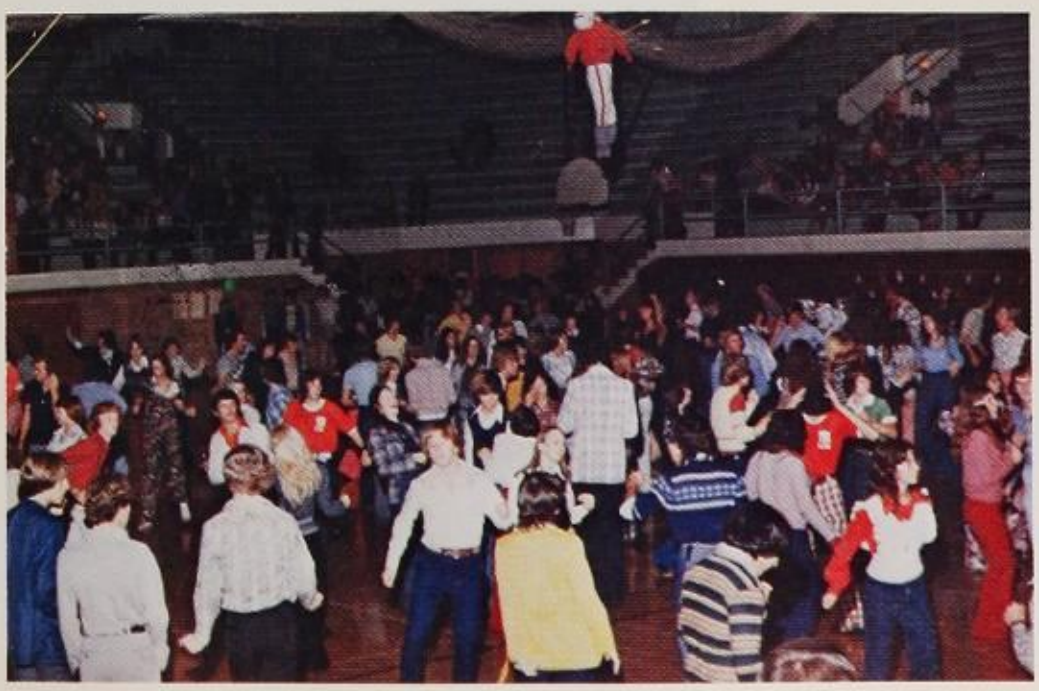
Top left: Becky Arnott and Bill Thorn jokingly "attack" lunch. Left: One of the many business courses offered at PHS is typing. Top: Stray dogs are a familiar sight at football games. Above: A part of some students' daily routine is the bus ride home. Right: Miss Susan Steinbeck tries to persuade her students that al-trig is not all that hard.



Above: Scott Gilmore and Joe Dotson make use of school mail box. Top right: Chemistry students work diligently. Below: Lines in the Big Red Room during fourth period are a familiar sight. Bottom right: Assistant Principals Roy Radabaugh and Steve Summers proudly display their T-Club shirts.

Top: Clowns were a part of the spirit march. Above: Band members march in spirit parade. Top Right: Students march in spirit parade. Middle Right: Big Red supporters prepare for spirit march. Right: Cheerleaders lead fans to Stadium Field.

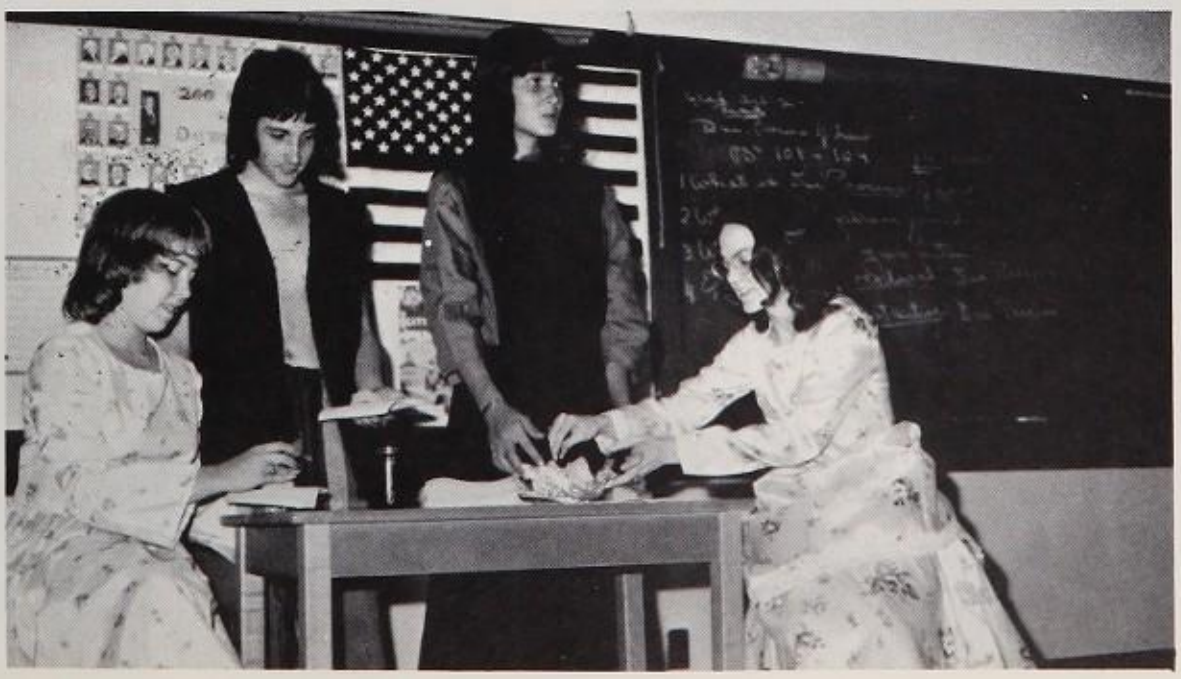
Did I take advantage of all that was offered to me? Did I reach my goals, or was I satisfied to "just get by"?



Above: Scrub Hendrickson's face shows the story of the Stonewall Game. Top Right: Candidates for Fifth Quarter queen and attendants are front row, from left, Barbie Hollowell, Becky Crooks, Jane Thomas, Judy Mason, and Marold Hatcher; back row: Jo Ellen Waterman, Brenda Duty, Marsha Robey, and Shelia Wolff. Middle Right: Barbie Hollowell is crowned Fifth Quarter queen. Right: Students dance to "Shade" at Fifth Quarter dance.

Right: A member of the Big Red football squad watches from the sidelines as his team competes on field. Bottom right: Big Red band members practice on front campus for Friday night's activities.

Did I take all and give nothing? Did I share my abilities to the betterment of others?



Left: A variety of activities are presented to students who take physical education. Below: Smoking area is a familiar place for students to meet. Bottom: Missy Patient, Jim Kimble, Carol Lee Kolheim, and Cindy Terry present a play written by AFSer Jill Thorpe for Mrs. Ferne Phipps' American government class.

Will I remember sharing the good times as well as the bad?

Students as well as parents experienced the high cost of living. Returning to school, students encountered higher prices on milk, candy, and pop. Parents were budgeting weekly incomes as the price of sugar soared, and most students found allowances and spending money a little short. Typical expressions included, "I remember when milk was only 49 cents a half gallon."

Did I better myself with the passing years? Was I satisfied with my contributions to PHS?

Top right: Miss Linda Pracht and Mrs. Marilyn Phillips prepare to chaperone a student bus to an away football game. Above: Shauneen Shelene does some serious reading in the library. Above right: A bus waits to transport students to vocational classes at South. Right: "Shade" performs at the Fifth Quarter.

Top: Auto mechanics students gain practical experience. Top right: Decorated doors add to Spirit Week. Above: Girls gym classes play volleyball. Right: Miss Linda Eddy spots a gymnast.

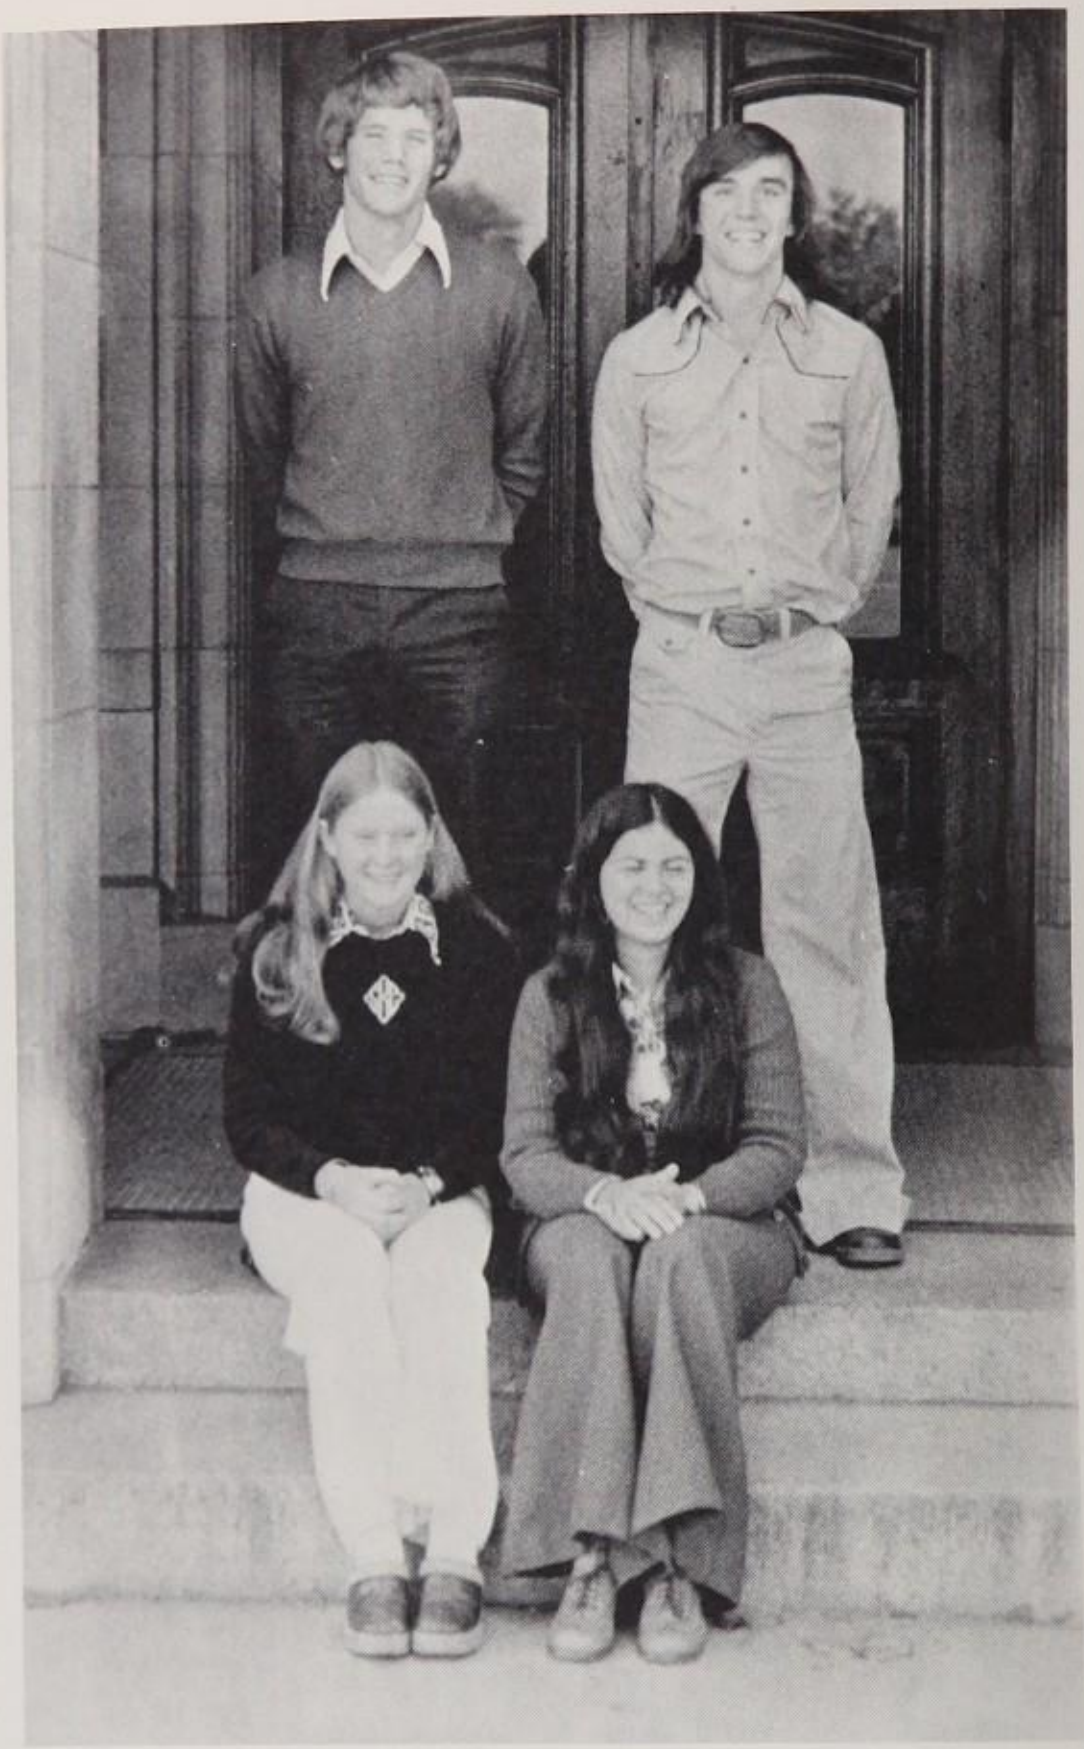
STUDENTS

Four lead '75 class

Our days at Parkersburg High School began in 1972 with fears, excitement, and bewilderment. The school seemed like a maze filled with new faces that soon became familiar ones.

Then another year passed by and we looked back on our sophomore days with humor and confidence. We had other things to think about: class rings, Color Day, and most of all the anticipation of graduation.

Now as seniors these events have arrived, and we are again filled with fears, excitement, and bewilderment of what lies ahead. These days we have experienced are gone and will never pass by us again but each of us has a memory of these times we shared at PHS.



Leading the '75 class are from left, seated, Susie Bailey, secretary; Debbie Haught, treasurer; standing, Joseph Dotson, vice president; and David Poling, president.

Juniors concentrate on study, anticipate 1976

After conquering their sophomore year, juniors look forward to their senior year. Now concentrating on studying, juniors realize that advanced schooling, employment, and possibly even marriage may be soon a reality. Juniors eagerly look forward to Tap Day when they will receive the key to the senior doors. The thought of having only one more year is one shared by every student of the class of '76.

Leading this year's junior class are from left, Betsy Welch, secretary; Faith Brown, president; Scott Gilmore, vice president; and Patsy Manzo, treasurer.

Sophomores show pride, made friends easily

Excitement was in the air when the Class of 1977 began this school year. Many oohs and ahs were heard on the first day of school. Although confused at first, the sophomores soon conquered the layout of the school. Their pride was evident. Making new friends was not as difficult as many might have expected. It was a wonderful feeling to be able to say they were going to PHS. Now about to become juniors, the class has almost realized another step in its educational process.

Big Reds finish 10-2, make trip to playoffs

The Big Red football team coached by Daniel "Buddy" James completed the season with a 10-2 record, finished fourth in the state ratings, and went all the way to the state AAA championship playoffs before being knocked off by the Stonewall Jackson Generals.

In the season opener, the Red and White downed Wheeling, 24-6, with Buster Donaway, Romel Henderson, and Mike Shields providing the scoring punch.

The Big Reds first made known their explosive offense and iron-clad defense defeating St. Albans, 48-0. Joe Dotson and senior quarterback Rich Duggan teamed for the touchdown passes and Deric Davis led the running attack, while Dave Winans' "ironmen" held the Dragons scoreless.

Scoring 35 points in the second half, the Indians romped to their third victory over Huntington East, 43-0. The rushing game amassed 336 yards to just 59 total yards for the Highlanders.

The Big Reds took what appeared to be a commanding 24-6 lead over the Monarchs of John Marshall, then were forced to hold off a fierce fourth quarter tally to salvage a 24-18 win. Donaway, Duggan, and Pat Earley, plus three successful two-point conversions after the TDs led the Big Red scoring.

The first "battle of the unbeatens" the Big gridders faced was with the Marietta Tigers. The James Gang came out on top, 16-0. Duggan handled the offensive aspect of the game with two touchdowns, while the defensive unit held the Tigers powerless.

In the Big Reds' sixth triumph of the season they completely shutout the Pony Express of Huntington High, 36-0. Tallies by Donaway, Dotson, Duggan, Earley, and Terry Goudy lit up the scoreboard at Stadium Field.

Davis and Goudy each rambled for two touchdowns to pace the Tribe to a 50-0 pounding of the Charleston Mountain Lions.

The James Gang then faced their second "battle of the unbeatens" carrying a 7-0 record into the contest against the Stonewall Jackson Generals and walked away on the short end of a 32-0 decision.

Bound and determined to win the rest of their regular season games and earn a playoff berth, the Big Red Machine encountered the Black Knights of Point Pleasant. Scoring four of the first five times they had possession of the ball, the Big Reds racked up 30 first-half points and held on for a 36-7 victory.

In an absolute "must" game with Parkersburg South, the mighty Big Reds came out on top, 16-6, to retain their dominance in the "Battle of Parkersburg." Two key 25-yard TD passes by Duggan, one to Dotson and one to Donaway, proved to be the difference in the game. Duggan's ground game and the PHS defense led by Winans controlled the rest of the game.

The Big Reds, 9-1 in regular season play with a 14.0 fourth place rating and a playoff berth under their belts, tackled the top-ranked Buckhannon-Upshur at their home field and stole the show with a 32-0 shellacking of the Buccaneers. Duggan and Shields manuevered the offensive efforts, while the defense followed in suit.

In hopes of attaining their first championship since 1958, the Big Reds traveled to Marshall University's Fairfield Stadium to tackle the unbeaten Generals of Stonewall Jackson. Defense was the name of the game, and PHS held their ground, but the Generals' offense commanded the outcome, a 16-0 defeat for the Indians. Coach James' charges ended the season with a 10-2 mark, an overall superior year.

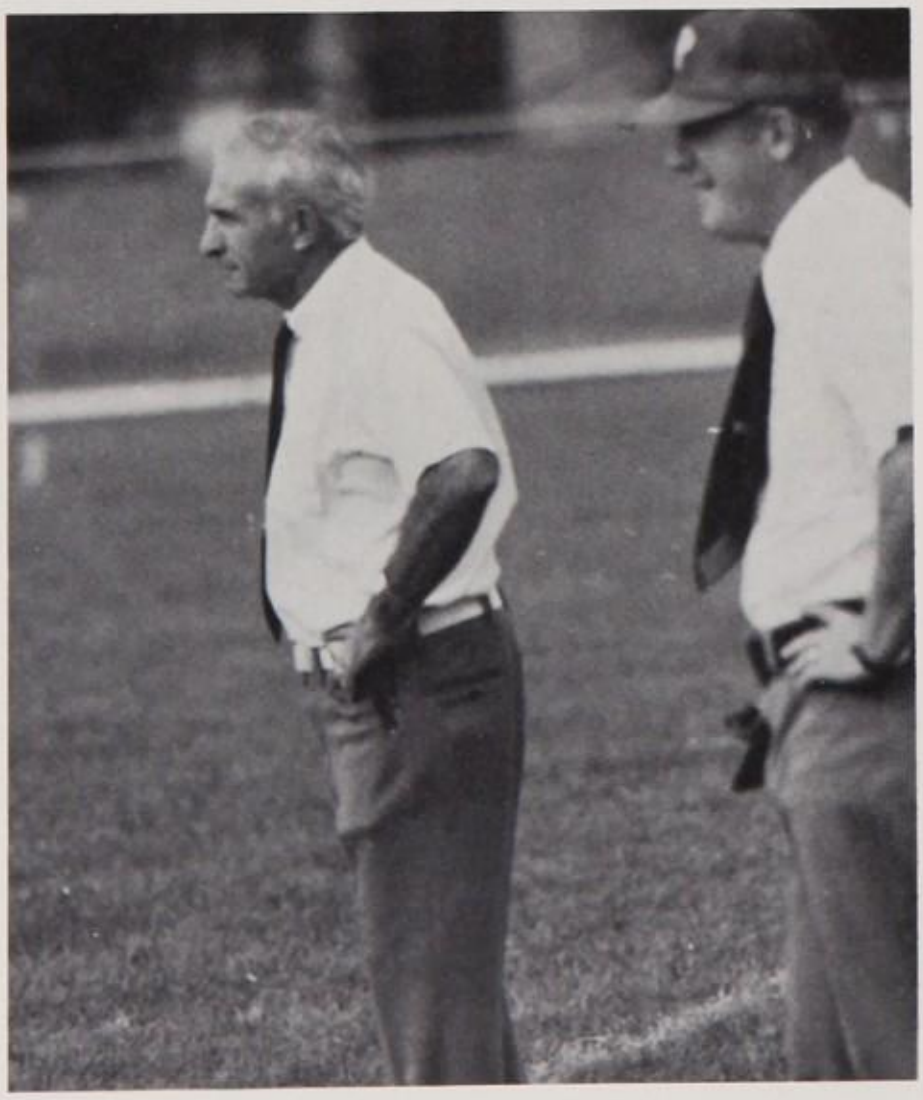
Little Reds sport 3-3-1 log during '74 season



Coach Bob Dutton's Little Red football team sported a 3-3-1 record during the 1974 season. The squad was handicapped immensely by several talented sophomores being moved up to the Big Reds as well as tough competition. Victories came over Marietta, 28-22; John Marshall, 20-13; and Magnolia, 14-8. Losses were suffered from St. Albans, 22-0; Ravenswood, 28-12; South, 12-8; and a scoreless tie with Belpre.

Ron Flanagan was the leading passer, while Jim Pence led the rushing attack. Curtis Powell handled the punting, averaging about 25 yards per punt. The Little Reds gave an average of 14 points per game while scoring an average of 12 points per game.

Roy places 31st in state

Ron Roy capped the Big Red cross-country season by placing 31st in a field of 90 contestants in the state finals held in Charleston.

Coach Gary Prater's squad displayed promise throughout the season, but was inconsistent due to inexperience and injuries. The Big Red distance men improved greatly as the season progressed with the Indians running their best meets in the St. Albans Invitational and their dual meet with Marietta. In St. Albans the Big Reds finished fifth out of 23 teams and against Marietta they were beaten by only five points, a very good race considering the Tigers were a top Ohio team. The season concluded with the Big Reds' fourth place regional finish and Roy's 10th place state qualifying effort.

Cagers end season 10-9, prep for sectionals

The 1974-75 Big Red basketball team ended the regular season with a 10-9 record. Coach Roy Phillips, in only his second year at the helm, led his squad to a winning season and faced Ravenswood's Red Devils in sectional competition.

The Red and White relied on juniors Jim Buskirk and Scott Seaman for their scoring threat, with Timmy Allen, Deric Davis, Buster Donaway, Bill Keller, and Barry McDougle rounding out the backbone of the team.

Victories over Huntington twice, Weirton, Athens, Magnolia twice, Marietta, Pt. Pleasant, John Marshall, and Parkersburg South provided the Indians' winning regular season.

Top right: Deric Davis rifles in a two-pointer. Bottom left: Jim Buskirk is true to form with a long jump shot from the corner. Bottom right; Scott Seaman displays his shooting abilities as a center. Mt. Lions devour Big Reds 101-53, 78-62

Top left: Bill Keller and a Charleston rebounder show the "battle of the boards" as the Big Reds met the Mountain Lions in a rematch at Memorial Field House. Although the Red and White suffered a 101-53 shellacking in Charleston, they gave the Romano Gang all they could handle the first three quarters, but fell 78-62 in the late stages. Top right: Center Scott Seaman goes high into the air to put in a much needed bucket for the Indians. Left: Again Seaman's "sky hook" rips the net for a basket. Opposite page top left: Jim Buskirk sinks a foul against the Mountain Lions. Top right: Buskirk shoots from the corner over a defender to break the Mountain Lions' zone defense. Four wrestlers compete in state, fail to place

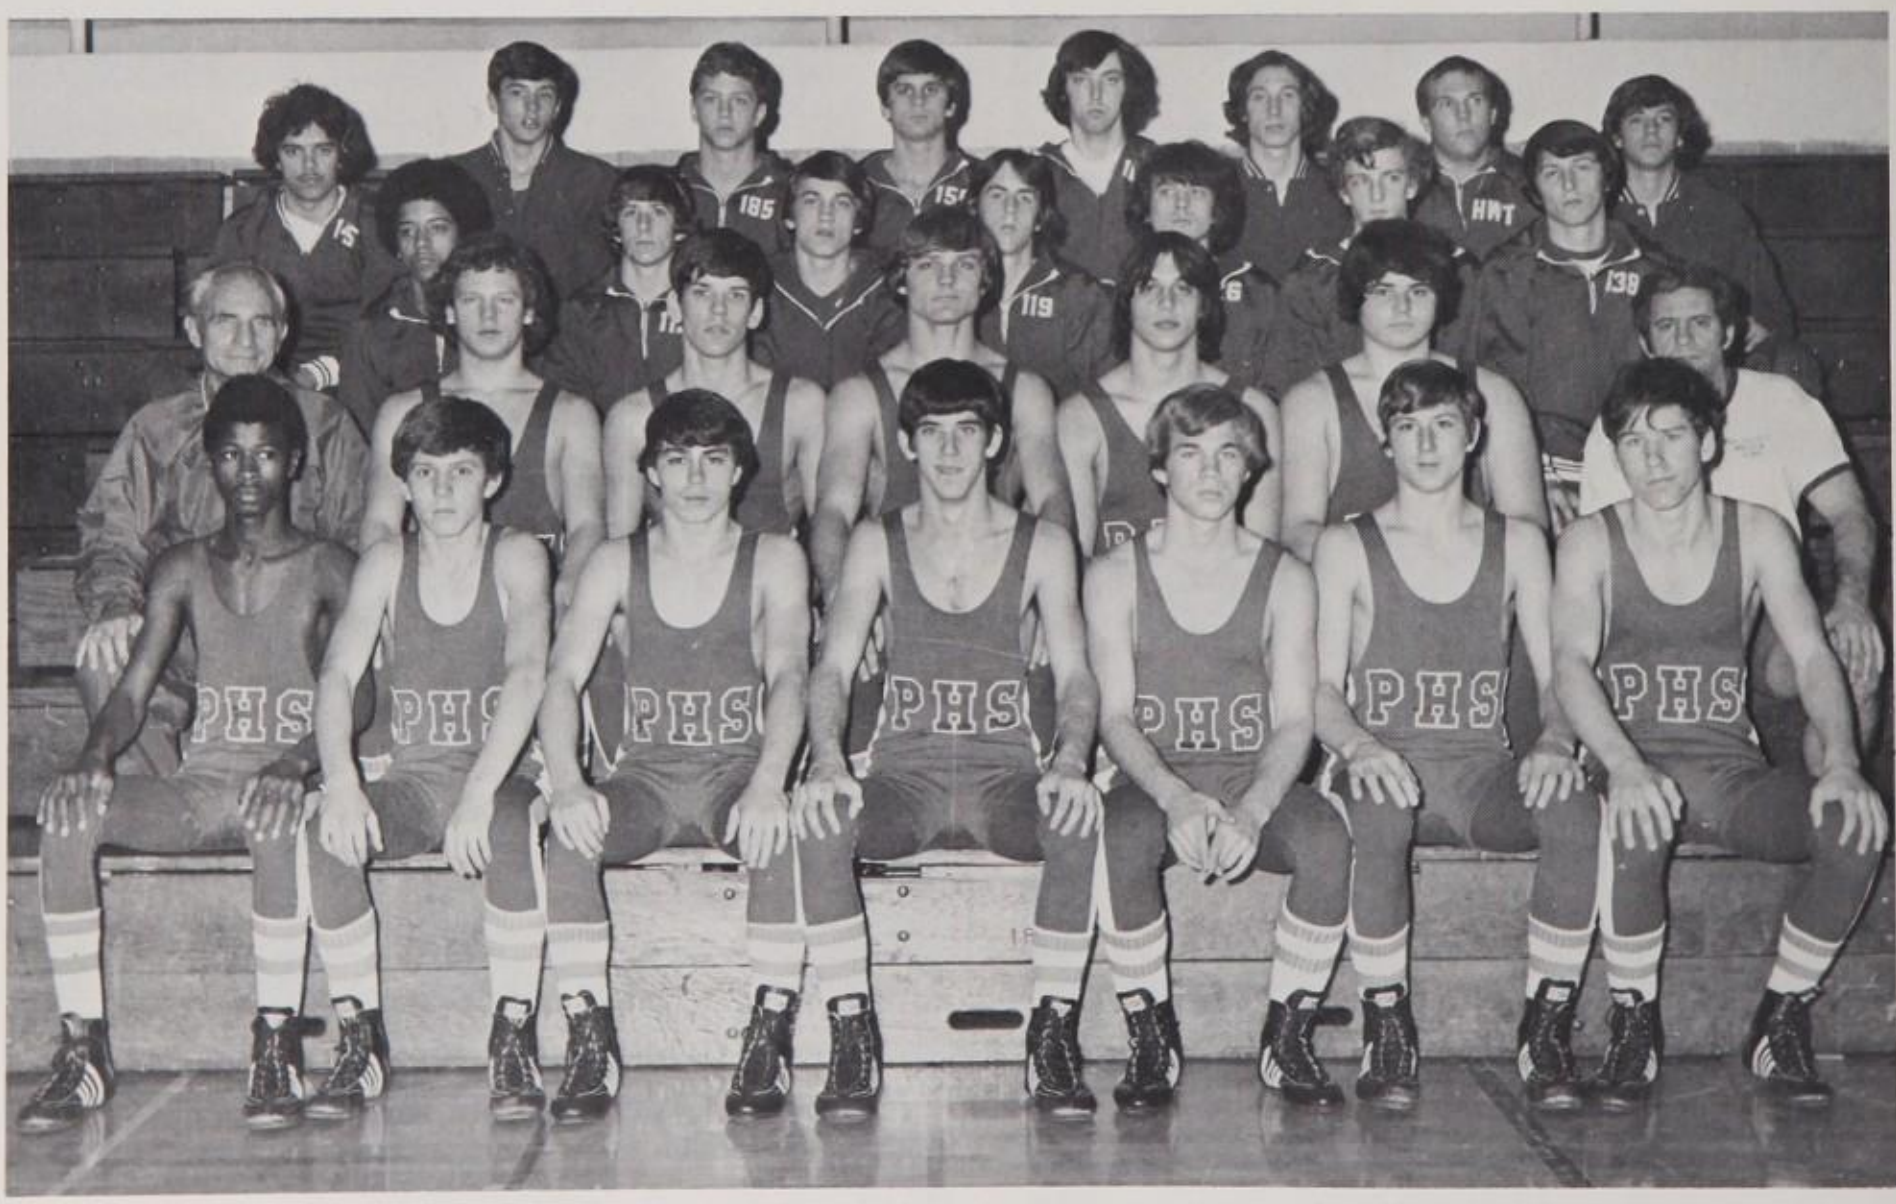
The Big Red wrestling team, coached by veteran mentor Robert Dutton and assisted by Joe Handlan, depended on their experience to provide a successful season. Rick Boyce, Fred Pepper, and Mike Winters, tri-captains and two-year lettermen, paced the team all year long with help from Tom Winters, Denny Rexroad, and Greg Johnson.

The Big Reds finished the season 8-3 in dual mat action and 21-7 overall. PHS sent regional champs Boyce and Winters and runner-ups Pepper and Rexroad to the state tournament at Fairmont. The Red and White placed 14th with 24 points. Although PHS sported no state champs, their presence, as always, was well known.

At 126, Pepper was prepared to meet South's Jim Weatherholt in the finals, but was denied that chance, as he was decisioned 13-9 by Bryan Riley of West Fairmont. Pepper wound up fourth and had a 19-3-1 final record. Sophomore Rexroad, at 132, lost his first and only state match to wind up 16-7. Winters, finished third while his record was 24-2-1. At 167, Boyce lost his only state match to end the season, 20-5.



Members of the 1974-75 wrestling team were from left, first row, Greg Latham, Greg Johnson, Dave Hedrick, Scott Morehead, Fred Pepper, Dennis Rexroad, Tom Winters; second row, Coach Robert Dutton, Kevin Bradshaw, Mike Winters, Rick Boyce, Luke Spencer, Mike Farrah, Coach Joe Handlan Jr.; third row, Lloyd Carr, Dave Taylor, Mark Enoch, J. D. Mendenhall, Roy Blair, Warren Montgomery, Mike Beckett; fourth row, Bernie Dearth, Rick Chittum, Steve Ruehl, Rick Walters, Bill Morrison, Danny Grandal, Tom Ferrell, and Mark Wagner.

This page top: Rick Boyce easily handles South grappler, Harvey Ray. Down 12-0 before entering the match with Parkersburg South, the Red and White could not overcome the forfeits and fell to the Patriots, 33-18. In the highlight of the meet, undefeated Fred Pepper decisioned unbeaten Jim Weatherholt, 3-2. Left: The referee raises Boyce's arm to signify his victory over Auch in one of the brighter moments of the dual match. Below: Tom Winters, PHS 141 pounder, controls his opponent, Bruce Schuck. Winters went on to decision Schuck in a highly contested match.

Bottom right: Mike Winters punishes one of his many opponents to win the regional championship.

Gone are the souls,
Here are the memories.
Thought of running and
Laughing shall never cease.
Growing in mind.
Loving and kind.
Two lives we live.
Twice we meet.
To grasp the meaning,
For no one can.
Only memories
Loving and kind.
Two lives we live.
Twice we meet.
Again, Again.

These times we share remember well ... What will I remember about this past year? The controversial attendance policy and the times I was tempted to take advantage of it? The uneven flow of heat within the school? The excitement of moving into the new music building? A more accomodating patio and smoking area? The rising cost of food? The whole general state of the economy, which caused some speculation of another depression? The convenience of the finally completed walkways to the Field House? The Big Reds having gone to the state football championship game? The opportunity for seniors to carry a smaller class load and to leave school early? The Kanawha County textbook controversy, and wondering if Wood County would experience a similar situation? The lack of parking facilities and the poor condition of the student parking lot? The rainy day trips to the Annex and Field House? The feeling of being one of some 2,700 students? And what will the class of 1975 remember? The first day of classes at PHS in September, 1972? The frightening experience of walking into such a huge building? Attending assemblies, thuses, athletic games, and other school gatherings? Eagerly waiting for senior rings to come. Making it through three years of teachers, books, tests, and report cards? All the great conversations, happy times, and smiles that were shared, along with the disappointments, frustrations, and depressing times? Being seniors at last. Color Day activities, donning caps and gowns, the commencement ceremony, the final walk down the corridors of "our" high school. Saying goodbye. Wondering what will become of the friendships that were made during three years. Remembering these times we shared.
